

Music Stands

König & Meyer music stands are virtually unsurpassed in quality the world over. All elements of the stands' construction are precisely calibrated to ensure perfect interplay. Meticulously selected materials guarantee carefree setup and breakdown – and of course a sturdy stand – year after year.

Thanks to the variety of styles and sizes of music stands that König & Meyer has to offer, everyone – from the budding music pupil to the professional musician – can find the perfect stand for his or her individual needs.

The most impressive stand in its class. This extremely stable design of stand has a sheet music desk of 500 x 240 mm – for size plus grandeur. The three-piece folding music stand has easy-to-use clamping elements. Its large music desk (with integrated name plate) has plenty of room for heavy folders and is an alternative to a music stand with a plate.

Another "highlight" from König & Meyer's range of lights. The exceptionally flexible goose neck allows the musician to choose either a focussed beam or flat light. Each lamp head contains a pack with four LEDs, which can be switched on or off individually. The latest LED technology guarantees a bright source of light, long product life and minimal consumption of energy. The light is attached to surfaces with a maximum thickness of 25 mm using the clip. This multi-purpose attractive lamp functions with batteries or external power supply. The power pack and 3 batteries are included in the delivery.

The useful »Mighty Bright Duet 2« light is the ideal light to take on tour or to use at home.

Its flexible goosenecks mean it can easily be adjusted to suit individual needs. Long-life LEDs easily light a 2 x A4-sized surface. A practical attachment clip allows it to be used on music stands or as a standing light. Four bright light diodes to switch on individually are powered optionally by re-chargeable batteries or by a power supply unit.
