Keyboard Stands

From experience, we know that among musicians, keyboardists often subject their stands to the most rigorous treatment.
When developing new stands for keyboard instruments, König & Meyer engineers and designers therefore pay extra special attention to the sometimes enormous weight of the instruments, the overview of the instrument needed while playing and the equally important ergonomic comfort of the keyboardist's "workplace". With painstaking attention to detail, König & Meyer imbue their keyboard stands with individualised adjustability, compactness for optimal transportability, and above all, reliability – gig after gig.

KEYBOARD STAND

18962	BASELINE
Weight	3.27 kg
Special features	additional locking positions on main X-tubes for extremely low level usage; adjustable end cap to stabilize the stand on uneven surfaces
Material	steel

Height	from 594 to 964 mm
Instrument support	non-marring slip-proof pads

Order No.

black	18930-070-55

The new generation of X-Stands is comfortable and convenient. The ergonomic clamping mechanism makes setup or break down easy and fast. The robust metal joint can be adjusted in 5° intervals; the short intervals provide the user with a multitude of positions. With the assistance of a scale the user is able to easily find his preferred setting. Both of the back rubber end caps can be adjusted on their axis and as such can be adjusted perfectly to the width of the keyboard.

TABLE-STYLE KEYBOARD STAND »OMEGA«

18810	TOPLINE
Weight	8.5 kg
Special features	with engraved height scale; includes 4 Velcro tapes to guide the cable
Material	steel
Shape	keyboard table
Height adjustment	spring-loaded clamping knob
Max. load capacity	50 kg
Support width	from 270 to 870 mm
Support depth	345 mm
Base dimensions	1,050 x 575 mm
Height	from 600 to 1,020 mm

Order No.

black	18810-000-55

Its compact steel tubing construction and large round floor protectors make this attractive keyboard table significantly more stable. Two sided spring-loaded locking screws make precision height adjustment easy. The support arms can be adjusted to suit the size of the keyboard. When folded, the table is impressively flat. The design of the table complements keyboard bench 14085 or 14086.
